Dear Customer,

Do you have a tractor that weighs more than 55000 lbs? If so, it is time to pay your 2013-2014 IRS Heavy Vehicle tax. The IRS no longer mails any forms for you to complete. You can either pay your tax through a service that deals directly with the IRS, you can pay it directly at the IRS office or you can pay it at the Charlotte or Raleigh IRP office.

The 2290 heavy vehicle tax form can be paid any time after July 1, 2013 and before August 15, 2013 without late penalty. The IRS is closed August 30 each year. We are able to pay your taxes directly online through an IRS tax provider. Normally, we can get your paid receipt within 24 hours. These receipts are necessary to get your IRP tags renewed each year.

Our fee to complete this form is \$50 if you have one truck and \$65 if you have 2 or more trucks. The fee paid to the IRS varies with the weight of your trucks. If you would like us to complete this paperwork for you, please check here _____ and return this letter to us as soon as possible either by fax or by mail. We will then invoice you for the correct amount due. When payment is received, we will process your paperwork. We accept Visa, MC and Discover cards, as well as checks and cash.

If you complete your own 2290, please send us a copy of the paid receipt for our files.

If you have any other questions, please feel free to call.

Thank you for your business,

Karen Downing
